

## Supporters' Night 10th April

On Wednesday, 10th April, The Foundation for A Bloody Great Cause, the Bloody Great Committee, and the Haematology Clinical Research Unit (CRU) hosted a supporters' night and a 'behind the scenes' tour of the Cancer Centre for our past event sponsors and generous donors.

Chief Executive of Sydney Local Health District, Dr Teresa Anderson and Professor Judith Trotman, Head of Haematology at Concord Hospital, welcomed the visitors and thanked them for their attendance and ongoing support.

Not usually available to the public, guests saw the amazing high-tech laboratories where all blood samples were tested for diagnostic purposes and ready for specific treatments.

## Save the Date

Join the Bloody Great Committee for a night of entertainment, fantastic food, and dancing as we fundraise in support of the world-leading blood cancer clinical trials at the Concord Cancer Centre, Concord Hospital.

**TICKETS WILL GO ON SALE SOON**

## Thank you to the amazing Breakfast Point Men's Shed

Who have run two BBQ's to raise funds for the Foundation – one at Bunnings Ashfield in March and another one at Breakfast Point IGA on the wettest April day in Sydney!

Thank you to all involved for the fabulous funds you raised - \$5,710 in total was given to the Foundation!

A huge thanks to Aaron and the IGA team for generously donating the produce. We are blessed to be supported by such a Bloody Great Community that can also cook a bloody great bacon and egg rolland sausage sizzle.

The Bloody Great Committee members accepting the first cheque of \$2,860 from Men's Shed.

On March 3, at the Italian-Australian Community Charity lunch, the Father Atanasio Gonelli Charitable Fund, granted the Foundation for A Bloody Great Cause a donation of \$5,000.

The Foundation and the Haematology Clinical Research Unit are truly grateful for the charitable fund's continued support.
